

Incident Information

Date: June 29, 2020

Incident Number: 2020-071626

On **June 29, 2020**, at *approximately 1602 hours*, Officers were dispatched to 10800 Bass Pro Parkway, Suite D (Pie Five), in reference to a Disturbance with a Weapon call for service. Upon Officer's arrival to the business, Officers made contact with employees and customers who stated a black male came into the business, caused a disturbance, and then went out to a van and shot the front window out. Officers located a crime scene and secured the scene. Major Crimes Detectives and Crime Scene Search Unit (CSSU) Specialists were notified and responded.

CSSU Specialist located and collected one projectile and one cartridge casing, from the scene. CSSU processed the front door which appeared consistent with having been hit a single time from a projectile.

Detectives arrived on scene and conducted a recorded interview with employee, Eboni Smith. Ms. Smith stated a black male in his 40s, wearing a yellow hat, and a navy blue collared shirt, came into the business with a black female wearing a pink shirt. Ms. Smith stated they began placing their order, and the black male became upset about the portion size of the order. Ms. Smith stated the black male asked to speak to a manager so she called the manager and gave the phone to the black male. Ms. Smith stated the black male talked on the phone and then threw the phone at Ms. Smith striking her on the side of the face. Ms. Smith stated another employee asked the black male to leave, and the black male began arguing and went outside.

Ms. Smith stated the black went to a white van and walked back to the business holding a gun. Ms. Smith stated another employee had already locked the door, and when the black male could not get in, he shot out the glass to the front door. Ms. Smith stated the black female was trying to stop the black male from going back to the business. Ms. Smith stated after the shooting, the black male left in the van and the black female left in a white SUV vehicle.

Detectives conducted recorded interviews with several other employees and customers who witnessed the incident, and their statements were consistent with Ms. Smith's.
